

MOTIONS

1. Purchase Woodchipper
2. Committee Spending Limit

Propose that the Association purchases a woodchipper so that we can make our own woodchips (in addition to the local bark deliveries). There could be an additional bay for this in the recycling area, and it could be done by volunteers with Safety guidance in place.

Constitution:
Single-project Spending Limit (£1000):
“Except in circumstances of emergency affecting the security or integrity of the site, the Committee shall have the power to spend up to £1000 of The Gardens’ funds on any individual project before requiring approval from the wider Membership

MOTION:
Propose to increase the threshold to £1250
